

Technical specifications

Power	
Power Supply	12V DC nominal (via network)
Power Consumption	Backlight off: 45mA @ 13.5V DC Backlight max: 145mA @13.5V DC
Technical/Environmental	
Housing	ABS moulding
Waterproofing standard	IPx7
Operating temperature	-10° C to +55° C (+14° F to + 131° F)
Storage temperature	-30° C to +70° C (-22° F to 158° F)
Maximum Humidity	100%
Connectors	1x male Micro-C
Weight excluding bracket	155 grams (0.34 lb)
Retention Bracket weight	25 grams (0.06 lb)
